Shipping does have organization in NATO
If shipping authorities have priorities
they might override

question of allocation of responsibilities
between State & ICA.
(Smy of State)

Go back to Adm. Del. to reexamine
has request to assignment to W9 III
cont

Planning Functions on ICA.
Devel.

since "now State"

(DMB ^{Savage} sitting in past; does ICA on board)

Trueman

If State were to seek this group

Since State & ICA go to different stations
shipping & communications

(ODM pointed approach - ^{approved} total coordinator - agreed)

Set of assumption behind D-1, Savage
can make them available to "us".

Problem to set down what must be
done in 1st 30 days.

ODM is not coordinating detailed plans,
leaving all foreign
